25X1

1. [] Mr. Fred Flott, State Department, called to alert us that Representative Lester Wolff, a friend of Flott's who is running against Representative Seymour Halpern (their constituency has been redistricted), is trying to get headlines and plans to go into the allegations of CIA involvement in drug traffic. I told Flott to have Wolff or his Administrative Assistant call me and we would be glad to straighten him out.

Robert Owens, Administrative Assistant to Representative Wolff, called to say that Wolff was much concerned about reports of Agency involvement in the drug traffic but before raising the matter in public he would appreciate a briefing. I said I would be glad to talk to Wolff with the understanding that any discussion of the Agency role in coping with the drug traffic would have to be confidential. Owens said he was sure this would be acceptable, and I said under these conditions I would have no objections to Owens being present. He said to schedule the briefing for Thursday, 23 March 1972 at 11:30 a.m.

2. [] Called Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, to alert him to tomorrow's story by Jack Anderson about the Agency involvement with ITT in Chile.

25X1

3. [] Called Chairman Lucien Nedzi, Intelligence Subcommittee of House Armed Services Committee, to alert him to the Jack Anderson story, which he appreciated.

I also explained to Mr. Nedzi that the press stories about AID health and medical funds for Laos being diverted to CIA were quite misleading.

13. [] Called Dick Schultz, Associate Chief Counsel, House Internal Security Committee, and based on the advice of [] Office of Security, told him that the Agency makes little or no use of the Subcommittee's indices, but Mr. Schultz would still like to have the opportunity to discuss the matter further with an Agency Security representative in the field of name checks, which he is also going to do with the Civil Service Commission and the FBI.
